## Our translation process

## Quality is our top priority

Whether you order a short personal letter or a large website localization translation project, you get the same first-rate service.

We do not entrust your translation needs to just anyone; we assign your project to a certified linguist specializing in your requested language.

- We are professional.
- We are client-oriented.
- We are efficient.
- We are punctual.

## Translators' team

Our team consists of professional freelance translators in all major world languages. They have proven translation experience. They are reliable, knowledgeable and ready to work for you. Each of our translators has met the following criteria:

- They translate only into their native language;
- They have at least 5 years of translation experience in their specific field.

In addition our translators:

- are sworn by the court authority where legal authorization is required by law and officially authorized in their language.
- are members of internationally recognized translator's associations: ATA, UN, TRANSLEX, ATN, CALI, U.K. Institute of Translation & Interpreting (ITI), Malaysian Translators Association.

We do not employ in-house translators. It saves us money and offers you more competitive prices. This also allows us to offer a wide and diverse selection of languages.
